Uncle Sam's Shortage.

The deficit in the National Treass for the first 64 days of the present fiscal r ie \$13,346,147 05.

It is decidedly gratifying to hear the Democratic newspapers howl. It was not intended to run the Republican end of the campaign to please them.

THE keynote of General HARDIN'S sches and of the Democratic campaign erally, says The Kentucky Leader, is cound in this contemptible utterance of ladge Tarvin of Covington at the La-

some Saturday night:

"No wonder Bhadler has enough detion. On every one yet held he has
me before him on the right the deemt,
rtuous people of this state, and on the
t the Negros, riff-raff and bum eleent of our citizenship."

The audience very properly recented its by heising him for ten minutes, and the same properly recented its by heising him for ten minutes, and the same properly recented its by heising him for ten minutes, and the same properly recent the same pr

Tue Democratic State Central Com dress, telling the voters what the sound money platform means, that their free silver candidate for Governor is all right. and that it is their duty to construe the platform just as he has by voting for him. Surely Democracy is all things to

the Custom-house Department during forty-five months of the McKiniey Tarlff period—from October 1st, 1890, to June 30th, 1894,—were as follows:

30041, 1024,—were as follows:
McKipley Tarif Period.
1890, (Artober Ista to December 31st \$86,266,286 42
1891, Janusary 1st to June 30th. 97,021,343 to
1894-182, July 1st to June 30th. 177,368,435
1896-182, July 1st to June 30th. 30,145,750 14
1896-184, July 1st to June 30th. 101,407,768 88

Tariff period-from September 1st, 1894, June 30th, 1895—the Custom-House re-ceipts stood thus:

Gorman Tariff Period. Amount, 1894, Sept. 1st, to Dec. 31st \$48,990,859 89 1895, January 1st to June 30th.. . . . 82,884,485 58 Total receipts, 10 months ... \$131,675,836 27 ... \$ 13,167,533 68 It appears that the average monthly

eccipts from customs during the McKinley Tariff period was \$17,065,774 51, as compared with average monthly receipts of \$13,167,533 63 under the Gorman Tariff. The McKiniey Tariff supplied \$3,898,240 88 more revenue every month than the Gorman Tariff has done. The McKinley Tariff was a revenue raiser. The Gorman concern is a Tariff for de-

Dover is to have a new colored school-house, the building now being used for that purpose having been condemned. The new structure will cost \$925, and the work will be commenced at once.

President Diaz on the Increase of Business Relations

Between His Country and the United

Bactgreeity, He Says, Between the Republics—Maxican Rallways.

BALTIMORE, Sept. 6.—President Diaz of Mexico contributes to this weelt's leader of Mexico contributes to the weelt's leader of Mexico contributes to the weelt's leader of Mexico Contributes and the possibilities for the extension of American trade into Mexico. President Diaz points out something of the general raliroad and industrial progress of Mexico in recent industrial progress of Mexico in a constructed, serving to complete the network already established and to connect important districts. The total length of the railway system of Mexico in now 11.000 kilometers. In regard to move 11.000 kilometers. In regard to Mexico and the Utited States President Diaz says that he has not the least doubt but that this can be brought abons by each country removing from its laws everything which opposes the development of these reciprocal interests, and that so far as Mexico is concerned, legislation in the most liberal spirit compatible with its interest.

Referring to the industrial progress of Mexico, President Diaz says. "Com-

on the same and there was been consisted with its interest.

Referring to the industrial progress of Mexico, President Diaz aga: "Commerce and industry have contined their progressive march, notwithstand-their progressive march, notwithstand-their progressive march, notwithstand-trops were short through want of sin and that silver, our principle export, has suffered a notable decline in foreign markets.

Respecting this last point President Diaz says: "I believe that in reality color and the suffered a notable decline has been a benefit to general industries in the country, and this is easily explained. The depreciation of aliver has produced a rise in foreign exchange and therefore has raised the years of the country. The immediate result of this situation has been the establishment of new industries, the extension of those aiready established in all those branches austable for exportation, such as coffee, hencequin, etc., the values of which have lately interest. in all those branches suitable for ex-portation, such as coffee, henequin etc., the values of which have lately increased."

portation, such as coffee, hencequia, etc., the values of which have lately increased. Her Distillers Killed.

Nasuvillar, Tenin. Sept. 8 - A report comes from Tracy City of a fight in which two illicit distillers were killed by revenue officers in the mountains near that place. The names of the men killed are Jay Roddy and Jim Woodlee. The officer in command of the attacking party was Depaty C. S. brother of the noterious moonshiner Roddy, killed some time since, who was tried for marder in the federal court here, and at one time and for a long time was known as the terror of the mountains.
